Year 3 Autumn 2

Stone Age to Iron Age

Topic

In Art, we'll be finding out:

How to improve the mastery of art and design techniques, including drawing, painting and sculpture.
How to use sketch books to record observations and trial new sketching techniques

In Geography, we'll be finding out:

How to use maps, atlases and globes to locate countries
How and which countries have changed since early man

In History, we'll be finding out:

The history of Late Neolithic hunter-gatherers and early farmers
The history of Bronze Age religion, technology and travel
The history of Iron Age hill forts

In ICT, we'll be finding out:

How computers can be used to research information safely and effectively
How to code safely

In Science, we'll be finding out:

How rocks can be compared and grouped through a range of exciting experiments
How fossils are formed when things that have lived are trapped within rock
How to recognise that soils are made from rocks and organic matter

In English we will be:

- Writing a recount of our exciting school trip
- Exploring and writing different types of explanation texts
- Reading and performing poems (guided reading)
- Continuing to use paragraphs to group related material (Non Fiction)
- Beginning to propose changes to grammar and vocabulary to improve consistency, including the accurate use of pronouns in sentences

In Maths we will be:

- Continuing to develop knowledge of place value up to 3-digits
- Adding and subtracting using formal written methods
- Problem solving and reasoning word problems
- Regular mental maths practise
- Working with money and completing inverse operations

Inspiration

- The Collection school trip (History/Drama/Art)
- Creating a Stone Age village outside!
- Stone Age reading areas
- Christmas Carols + Crafts
