

Message from The Year 3 team

We'd like to send a warm welcome to all year 3s and their adults. We've got a fantastic year planned ahead of us.

Topic

We will be spending the first term learning all about rainforests. We've already had a brilliant visit from Animals UK. They brought along snakes, spiders, lizards and many other critters for us to learn about. You can find pictures on our year group blog (see the link below). Over the term we'll learn about where the rainforests of the world are and how they are at risk of deforestation.

Homework

Both homework books and reading books should now be in your child's book bag (or on their way to them). Homework is set on a Friday and collected on Wednesday. Homework may differ slightly between classes based on what we've been looking at through the week.

P.E.

Your child will be doing PE on a Tuesday and Friday afternoons. These days may change slightly due to weather so we suggest that PE kits stay in school throughout the week.

SWIMMING - Y3 won't be swimming until January.

Other Information

Meet the teacher: There will be an opportunity to meet the Y3 teachers after school on Wednesday 20th September. This is aimed at those adults that were unable to make it at the end of last year or those with questions.

Y3 Blog: The Y3 team are very active bloggers. We'll be posting about all our learning and adventures every week.
