Year 4 Newsletter

To the Rescue!

Our new topic this term is 'To the Rescue!'. The children will be finding out about Earthquakes and Volcanoes around the world. There will be a strong focus on Geography, Science and social issues. Children will research how the Earth is formed, what causes an earthquake and what happens when a volcano erupts? As well as this, pupils will study international organisations that work after natural disasters.

English & Maths

In English we will be working on Newspaper Reports, related to a natural disaster.

In Maths we are concentrating on Fractions and Telling the Time.

To support your child in their learning, please try to read each night, help them to learn their times tables (they should know them all up to 12x12 by the end of year four) and complete at least three of the homework tasks.

Important Dates:

Year 4 Showcase for 'To the Rescue!' - Thursday 30th March 10.30pm

World Book Day: Thursday 2nd March

Science Week: Monday 13th March

Please ensure that you keep an eye on the key dates and information on the school website.

Take a look at our Year 4 Blog to find out what we have been learning!
