

Year 3 Summer 1

Let's get growing

Topic

In Art, we'll be finding out:

How to improve the mastery of art and design techniques, including drawing, painting and sculpture.

How to use sketch books to record observations and trial new sketching techniques

In Geography, we'll be finding out:

Where different foods come from around the world

How local markets work describe and understand key aspects of physical About geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle

In ICT, we'll be finding out:

How computers can be used to research information safely and effectively

How computers can be used to combine words and pictures

use search technologies effectively, appreciate how results are selected and ranked, and be discerning in evaluating digital content

use technology safely, respectfully and responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content and contact

In Science, we'll be finding out:

How to identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat

How to identify that humans and some other animals have skeletons and muscles for support, protection and movement.

In English we will learn to:

participate in discussions, presentations, performances, role-play/improvisations and debates

spell further homophones

use the first 2 or 3 letters of a word to check its spelling in a dictionary

retrieve and record information from non-fiction

participate in discussion about both books that are read to them and those they can read for themselves, taking turns and listening to what others say.

In Maths we will learn to:

add and subtract amounts of money to give change, using both £ and p in practical contexts

estimate and read time with increasing accuracy to the nearest minute; record and compare time in terms of seconds, minutes and hours; use vocabulary such as o'clock, am/pm, morning, afternoon, noon and midnight

measure, compare, add and subtract: lengths (m/cm/mm); mass (kg/g); volume/capacity (l/ml)

Inspiration

- Garden Area
- Cooking with foods
