

Year 5 Summer 1

Local Study

Topic

In Geography, we will be:

- Investigating our local physical geography
- Identifying our location with reference to main Geographical lines
- using fieldwork to observe, measure, record and present the human and physical features in the local area using a range of methods, including sketch maps, plans and graphs, and digital technologies.

In History, we will be:

- investigating our local history
- reporting on a specific historical event in our local context

In ICT, we will continue to develop our skills in:

- using e-mail as a means of formal communication
- researching in the context of our local history through newspaper archives
- creating a digital presentation

In Art and design Technology we will be:

- using our sketch books to develop our sketching skills in the context of fieldwork in our local area

In English we will be:

- Reading to summarise main ideas in a paragraph
- Reading poetry for enjoyment, choosing poems to learn by heart and recite and justify this choice with justified reasons
- Précising paragraphs
- Writing Historical recounts
- Recounting a special activity in the form of a letter
- Develop spellings through investigating patterns
- Investigating how to make verbs out of nouns and adjectives

In Maths we will be:

- Investigating angles, shapes, position and direction
- Problem solving and reasoning using all operations

Inspiration

- Guest speakers in History and Physical Geography
