5th December 2013

Festive Fun!

As we approach the end of term we have some very exciting events for you to look forward to. The December calendar of events has been uploaded onto the Parentmail site and is also available on our website at:

www.laceygardens.lincs.sch.uk

If your child would like to see Santa on Thursday 19th December at 3.30, please send £1.50 in an envelope with your child's name, class and the word 'Santa' on it to the school office by Friday 13th December.

NSPCC

As our school is such a valued supporter, the NSPCC, are giving you the opportunity of sending your child or relative a beautifully designed and personalised 'Letter from Santa' which will be a wonderful keepsake for any child. Simply type in the link which will take you straight through to the 'Letter from Santa' website. For a suggested donation of £5 your child or relative could receive their own Letter from Santa and you could continue to support the work of the NSPCC supporting vulnerable and abused children. Order your letter from:

Star of the Week

At Lacey Gardens we try to be as eco friendly as we can. As such, star of the week letters will only be sent out via Parentmail after the Christmas break. Please make sure you are registered if you wish to be notified that your child has received a certificate in our Friday celebration assemblies.

Extreme Weather Conditions

As the bad weather season is upon us, we would like to inform you that school will always remain open unless we notify you, either by Lincs FM (102.2) or via our text message service through Parentmail.

Medicine in School

If your child has an illness that requires medication, such as antibiotics or regular prescribed medicine, please be aware that we are able to administer these for your child if they need a dose within school time. We are also happy to administer pain relief that you provide, such as Calpol or Paracetamol, if your child should need it. All medicine should be handed into the school office to be kept in our locked medicine cupboard, along with a note to say what time and what dose should be given.

This unique hand-stitched patchwork quilt has been created by pupils and family members during 2013 in celebration of the school's 60th Anniversary and represents the landscape and features surrounding the school. It is proudly displayed in our school hall for everyone to enjoy.
