Attendance

Congratulations our whole school attendance and is currently at 97% overall from the beginning of term.

All children are entered into our prize draw each term who achieve 95% or above attendance.

Congratulations to Isobel Humberstone who won last term's prize of a family ticket to Louth cinema.

Congratulations also go to class 5W for 100% attendance last week. The class will enjoy a cake baked for them by the school cooks. Well done 5W!

After School Clubs

The clubs on offer after school are well attended and the children are really enjoying the activities. Please remember that children are expected to attend every week unless we are notified by a parent. If a child fails to attend their club, we will phone home as part of our safeguarding procedure. All children are to be collected from the top playground at the end of each club.

Wrates Photographers

Wrates Photographers will be in school on Tuesday 7th October. All pupils will have an individual photograph taken

although there is no obligation to purchase. We can arrange for sibling photographs to be taken during the day if you request one. You are also invited to bring secondary school and pre-school children for a sibling photograph which are taken before school starts at 8.30am. There is no need to book for this but please be aware that all secondary children will be photographed first with their siblings so that they can get to school on time.

Secondary School Applications

Year 6 pupils have received their packs to apply for a place at secondary school. The deadline for applications is 31st October 2014!

Medication

If you child requires medication during the school day, please bring it to the school office where you will be asked to sign a receipt of medication form. Staff are trained to administer any prescribed medication and also over the counter pain relief for minor ailments.

All medication is kept in a locked cupboard during the day and will need collecting if it is to go home after school. Thank you.
